

On Saturday 19th November , Great Missenden competed at a cross country event at Chartridge School. 31 children turned up so it was a really big 'do'. The race was quite challenging but everyone did extremely well. AS soon as I stepped through the school gates I thought to myself oh, no not this one.

At 9:30 most people walked around the course so they knew where to run. Year 3 boys were first to run. In this race Josh, Hayden, Charlie, Leo and Daniel ran. I only saw the end of this race but from what I saw it was a really exciting one. The first to come in was Josh in a place of 22nd , but Haydn was on his tail coming 24th , followed by Charlie, Leo and Daniel.

Next was the year 3 girls, competing at this race was Phoebe, Gracie, Eva and loads more. Coming in first for Great Missenden was Eva in an astonishing place of 10th awarding herself a medal. Gracie was next to come in at 14th , followed by Phoebe in at 31st.
