#### **2. PE kit**

-Mr Walters came to the meeting to seek views on to change of PE kit for September. It is felt that our current PE kit is not as smart as other schools encountered at sporting events.

Ideas for change were discussed, with some examples were available.

Polo shirts were popular and a better track suit.

It will be taken to the school council and Mrs Thomson will be contacting suppliers.

Thoughts were that the current colours would be adhered to, any new sales would be of the new style, but the old style would not be banned if it has not yet been outgrown.

It was discussed how best to communicate the results to the parents.
