

Reception Class Topic Web

Communication and Language

Small group games to develop confidence in turn taking and following instructions

Listening games in Phonics sessions and at Forest School

Circle time in small groups to develop confidence in sharing own experiences

Understanding the World

Visit the local church and walk around the local community

Draw and follow a simple map

Observing the changes in the weather and Autumn

RE: Does everyone believe in God?

Maths

Build on previous experiences of number and further develop their subitising and counting skills.

Explore the composition of numbers within 5.

Compare sets of objects and use the language of comparison

Number formation 0-5

Recognise, repeat and extend simple patterns

We Are Explorers

Autumn Term 1

We Are Curriculum -

We Are Explorers!

Within our 'Who are we?' topic we will be focusing on our families and settling into our new classroom. We will also be sharing our experiences with others and have lots of time to form friendships!

Personal, Social and Emotional Development

Settling into Reception class

Begin to understand rules and boundaries

Form friendships with others

Self-identity

Understanding feelings

Being gentle

Rights and responsibilities

Humans and Families

Literacy

Talk 4 Writing – The Baby Mouse

Retell the story using drama and role play. Develop our imagination and story-telling skills.

Begin to develop letter formation and effective pencil control.

Phonics – We will be assessing what the children already know and focus on phase 2 sounds. Please visit the link below!

<https://www.littlewandlelettersandsounds.org.uk/resources/for-parents/>

Physical Development

PE – Ball Skills: Feet

Forest School – Using our gross motor skills move safely and negotiate space.

We will be focusing on our health and self-care by developing independence with shoes, socks, lunch boxes and coats.

Expressive Arts and Design

Music sessions

Mixing colours and exploring different materials

We will be using large junk modelling materials to make houses.

Autumn craft activities using natural resources.
