

ORACY

HOW DOES OUR SCHOOL VISION AND VALUES SHAPE ORACY?

Faith and Community

Oracy builds respectful dialogue and active listening skills, helping children connect with their own beliefs and appreciate others' perspectives in a diverse world.

Love and Respect

Speaking and listening with care fosters empathy. Oracy supports children to communicate kindly, share stories of kindness, and show respect in conversations.

Truth and Courage

Oracy gives pupils the courage to express their ideas, speak up for what is right, and engage in honest, respectful discussions.

Windows - Oracy opens a window into different cultures, experiences, and worldviews through discussion, debate, and storytelling.

Mirrors - Pupils see themselves in the talk they share. Oracy helps them reflect on their thoughts, build self-confidence, and develop resilience in conversation.

Doors - Oracy empowers pupils to enter new situations with confidence—ready to listen, reflect, express, and collaborate.
