

Name: _____

Date: _____

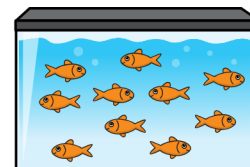

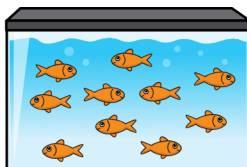

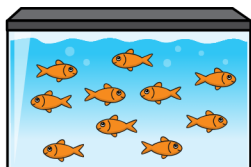

1 Complete the multiplication.

$$3 + 3 + 3 = 9$$

$$\boxed{} \times \boxed{} = 9$$

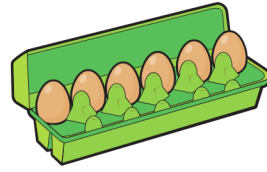

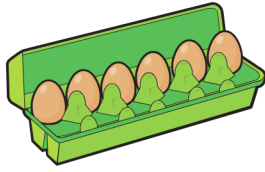

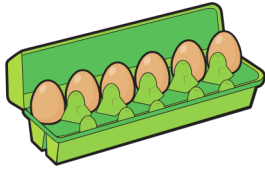

2 Complete the multiplication.

$$10 + 10 + 10 = 30$$

$$\boxed{} \times \boxed{} = 30$$

- 3 Complete the number sentences to match the picture.

$$\square + \square + \square = 18$$

$$\square \times \square = 18$$

- 4 Match the additions to the multiplications.

$3 + 3 + 3$

10×4

$10 + 10 + 10 + 10$

4×3

$4 + 4 + 4$

3×3

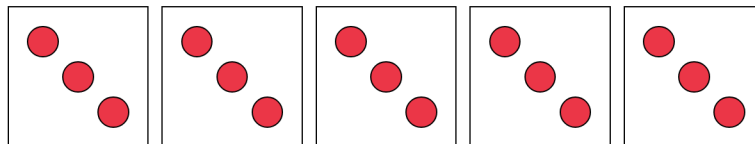

5 Use the cards to complete the sentences.

groups of = 20

$\times$ = 20

6 Complete the sentences.

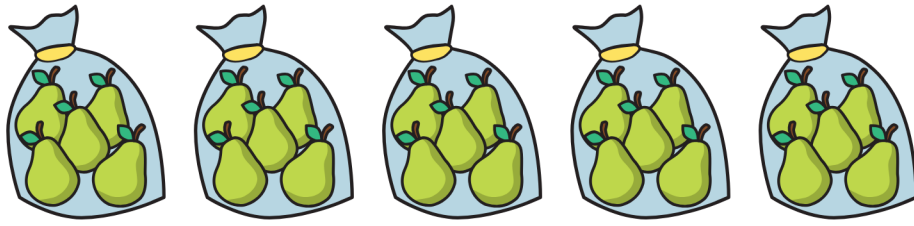

$3 + 3 + 3 + 3 + 3 =$

5 lots of 3 =

$5 \times 3 =$

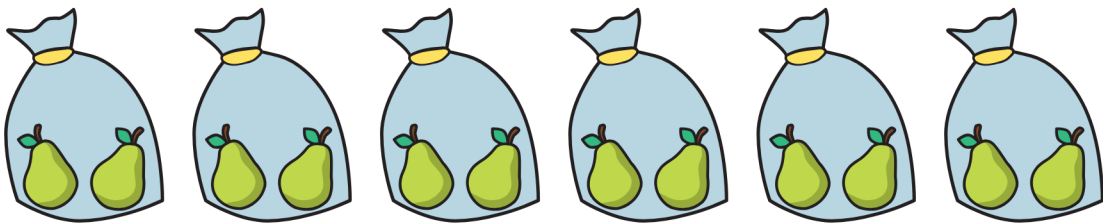

7 Complete the sentences.

5 lots of 5 =

$5 \times 5 =$

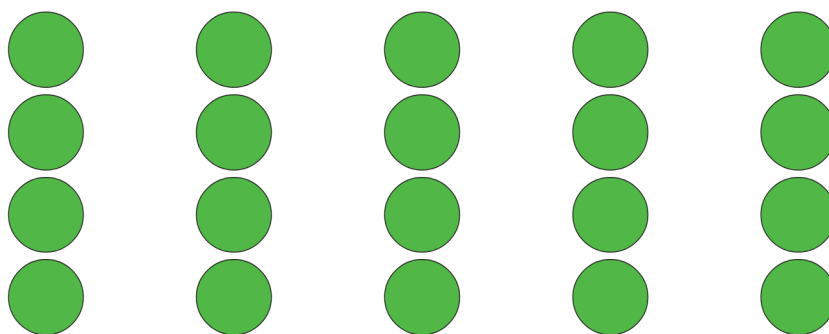

8 Complete the sentences.

6 groups of 2 =

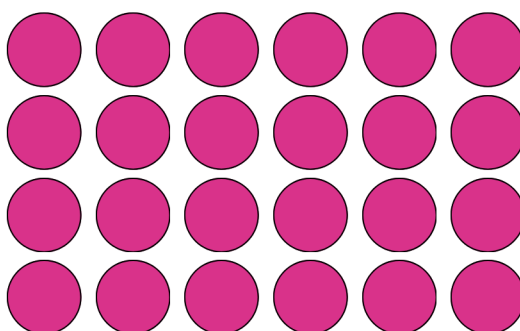

$6 \times 2 =$

- 9 Complete the number sentence to match the array.

$$\square \times \square = 20$$

- 10 Write two different multiplications to match the array.

$$\begin{array}{c} \square \\ \square \end{array} \times$$

$$\begin{array}{c} \square \\ \square \end{array} \times$$

11 Draw an array to show 2×4

12 Draw an array to show 5×3
